1. These tables are distributed direct to qualified paying agents by the Bureau of the Public Debt. Paying agents may obtain additional tables from the Federal Reserve Bank or Branch to which they send paid bonds. The Federal Reserve Bank or Branch should be notified of any change in the number of tables required on a regular basis.

2. **Required Taxpayer Number.** Payees are required to provide their social security or taxpayer identification numbers on all bonds presented for redemption, under Department of the Treasury Circular No. 3-80.

3. **Identification Guidelines.** Departmental requirements governing identification are contained in Form PD 3900. If the guidelines are followed, agents can carry out their responsibility for cashing bonds and be sure they will not incur losses.

4. All bonds should show an impression of the issuing agent's dating stamp.

5. All bonds must show an issue date. The issue date appears in the upper right section on the face of each Bond and is used in determining the redemption value of the bond. Such issue date should not be confused with the date appearing in the issuing agent's dating stamp, which should not be used to determine redemption value. January 1, 1980 is earliest authorized issue date for Series EE bonds.

6. The vignettes on savings bonds, by denominations, are:

$50–Franklin D. Roosevelt	**$100–Dwight D. Eisenhower**	**$ 500–Woodrow Wilson**	**$ 5,000–William McKinley**
$75–Harry S. Truman	**$200–John F. Kennedy**	**$1,000–Theodore Roosevelt**	**$10,000–Grover Cleveland**

   (d) Mutilated or defaced bonds or those which, for any reason, do not appear to be genuine.

   (e) Bonds requiring legal evidence to redeem.

1. These tables are distributed direct to qualified paying agents by the Bureau of the Public Debt. Paying agents may obtain additional tables from the Federal Reserve Bank or Branch to which they send paid bonds. The Federal Reserve Bank or Branch should be notified of any change in the number of tables required on a regular basis.

2. **Required Taxpayer Number.** Payees are required to provide their social security or taxpayer identification numbers on all bonds presented for redemption, under Department of the Treasury Circular No. 3-80.

3. **Identification Guidelines.** Departmental requirements governing identification are contained in Form PD 3900. If the guidelines are followed, agents can carry out their responsibility for cashing bonds and be sure they will not incur losses.

4. All bonds should show an impression of the issuing agent's dating stamp.

5. All bonds must show an issue date. The issue date appears in the upper right section on the face of each Bond and is used in determining the redemption value of the bond. Such issue date should not be confused with the date appearing in the issuing agent's dating stamp, which should not be used to determine redemption value. January 1, 1980 is earliest authorized issue date for Series EE bonds.
